

Draconian Magic Kush

(Its the weed that turns you into a couch)

Characters:

Lead 1 - Germ

Lead 2 - T

Every voice line the camera cuts to the speaker:

Scene 1 - Int - Trashy Kitchen:

- Germ is making some bullshit for breakfast ad listening to shitty soundcloud rap
- Camera cuts often and he is acting erratic and strange
- Awkward shots of him cooking including a shot from inside the fridge - opening and him rummaging around
- Close up of him plating the food
- Close up to him chewing

-
- T runs in the room clearly off something

Germ - Dude I'm fucking eating here!

You want a bagel or sumn?

T - Man fuck your bagel!

See this dawg, this is some AI prime shit magic pack dude

- Camera cuts to close up or whip zooms to a eighth of glowing magic weed

Germ - Fuckkkk!

- Camera whip zooms in on eyes than mouth
Where did you get this shit man?

T - A magician never reveals his secrets

CUT TO-

Scene 2 - Int/Ext - Shitty Convenience Store

- Convenience store establishing shot with wizard leaning up on the wall beside the door.
- Family guy style cutaway jingle (earlier)

cut to-

- over the shoulder shot germ is walking through the convenience store
- gimbal tracking as he walks through the isles settling on a chocolate bar

cut to-

- The wizard is posted up on the wall next to the convenience store
- He is smoking a comically large pipe
- Germ leaves the store walking past the wizard

Wizard - YOU THERE!

Peasant, do you think you are worthy of the magic pack

- camera speed locks down to his hands there is a jar of glistening magical weed
- camera cuts to Germ's eyes than back to the wizards eyes furrowing his brow

Germ - HOLY SHIT

Wizard - No mortal has ever smoked the Draconian magic herb and survived.

Germ - how much do you want for this?

Wizard - Only your soul (Ominous)

- switches to casual voice mid sentence
Wizard - Nah dude Im just joshin with ya 150 for an eighth.
- cuts to germs eyes, 3/4 view (dwell on this for a few seconds than cut to the wizards eyes for a few seconds)
- Rapid cut to germ grabbing the eighth out of the wizards hands and bolting off
- Camera tracks him as he runs
- (possibly film gimbal outside trunk of car and roto onto still of him running)
- Cut to wizard with his arms crossed smoking his pipe
- he starts speaking ominously in latin.

CUT TO -

Scene 3 - Int - Living Room

- Germ And T are Sitting on the couch Germ is holding the jar of weed

Germ - So I just fuckin booked it out of there....

Don't think he got that far, Fucking fatass!

T - So are we going to smoke this shit or what?

- T grabs the jar from him and starts grinding it up

CUT TO -

Scene 4 - Ext -Porch Outside House

- Both leads Sat next to each other on the porch with a bong in between them
- T opens up the grinder and cut to close up shot of evil smoke flowing out

T - I dont know man, Im getting bad juju from this

Germ - Stop being such a wuss dawg this shit is gonna take us to the 7th dimension

- T gulps scooby doo style
- Cut to fast cuts of them packing the bowl than lighting it than inhaling as well as close ups of their faces
- Cut to germ's face
Germ - Im not feeling it
- Cut to T's face
T - Im not feeling it either dude, lets go inside and watch something
- cut to living room - both of them are on the couch out of it

Both in Unison - yo do you wannaa...

- Their faces melt into the couch as the shutter speed slows and they start swaying comatose

CUT TO -

Scene 5 - Int - wizard's room

- family guy style cutaway jingle (earlier)
- The wizard is holding a syringe injecting some mysterious liquid into the weed
- End with him laughing maniacally
